

41 - Auburn St,
Waterson, N. J.

Mrs. Manley -

I received the placards
Saturday - 4/25/42. There were
120 - Cars - and 97 - Country tickets
You ask me in your letter
that if I saw anything for
improvement in our advertisement
to let you know. The main
thing is - I hope our price
on the gate will be to the
approval of the fam. I have
heard some pretty bad
Comments - Coming from
the sources. But I guess
we will get along all
right. The next thing is
a Grand opening day with

2
Some High City official
throwing out the first
Ball - (and the American
Legion Drum Chore (Kids)
on the week of the 6/9/42)
9th try to have some ^{small}
Cards - Throw-a-days. & Mostly
for power and Paterson
as a reminder for this
one game. I think it
will help - I hope that
some of my suggestions
will help.

Respectfully
H. Moore

P.S.
please let me hear
from you at once.
